NOTICE TO INDUSTRY

Date Issued: October 9, 2015 **Notice Number:** 09/2015

Subject: Anchoring in McIntyre Bay – Haida Gwaii

Geographic Area: McIntyre Bay – Haida Gwaii

Communication: The notice is as a result of a vessel anchoring in McIntyre Bay without a pilot in order to clean holds.

Details:

Please be advised that McIntyre Bay is within a compulsory pilotage area and under the Pacific Pilotage Authority jurisdiction. The Pacific Pilotage Authority must be informed prior to any vessel going to anchor in this area.

The exception to this regulation is when an inbound vessel to Triple Island is unable to board the pilot due to adverse weather. In this case the vessel may be directed to this anchorage as a temporary measure until the weather abates sufficiently for the pilot to board.

In all other occurrences if a vessel wishes to go to anchor in McIntyre Bay a pilot will be required.

Thank you for your cooperation. If there are any questions or concerns please feel free to contact me at 604-666-6771.

Yours sincerely,

Kevin Obermeyer
